THE GLOBE AT HAY

The Globe at Hay is a beautifully converted chapel that dates back to 1752, nestled in the renowned book town of Hay-On-Wye, located within the Wye Valley.

Brimming with character and quirky features including high ceilings and large windows, original pulpit and flag stones floors, adorned with eclectic art and boutique furniture the venue has been styled to create the perfect ambience for a unique and memorable occasion.

With capacity of up to 200 people, the globe at hay is fully licensed to host weddings, civil ceremonies and receptions, amongst its various versatile spaces, inside and out.

OUR SPACES

We know that first impressions count and on arrival into our **Main Hall**, you will not be disappointed. With double height ceilings, Georgian period features and original pulpit, it is brimming with character out of every corner.

This is the perfect location to ease into your day and enjoy a champagne reception. For us the ceremony is the most important part and we here at the globe can offer a truly unique space that is both modern and quirky in appearance, yet deeply rooted in the vintage.

Over looking the Main Hall is the **Upper Gallery**, providing a quieter area for guests to relax or additional seating for your reception. In addition to the Main Hall, we have the **Lower Gallery**; A spacious room with flag stoned floor and

wonderfully dressed with vintage furniture and contemporary art. It is a versatile space, offering a cosy, separate area for guests or available for festivities into the night.

Finally, is the **Globe Garden**, a real hidden gem of the town. The garden allows the romance and originality of your wedding to continue outdoors.

We have an expansive lawn ready for teepee tents or marquees of your choice and a selection of seating and ambient lighting, making it the perfect spot to relax with your family and friends. Also perfect for summer games and sports. From croquet to Twister, giant jenga to boules; there is space to let your inner child loose and entertain all your guests from young to old.

CATERING

The Lower Gallery houses the globe kitchen. With food prepared by our talented chefs and served to you by our friendly, front of house team, the globe ensures your wedding dining experience is second to none.

TESTIMONIALS

'We have just celebrated our wedding at The Globe and we could not have asked for more from a venue.'

After several previous visits whilst in Hay on Wye we loved the ambience, how relaxed and how much we could put our own stamp on an already unique looking venue. From the initial enquiry to midnight on the wedding (and even the day after) the staff could not have done more for us. They felt like members of the wedding party, and we enjoyed celebrating with them.

The food was OUTSTANDING, and we will be visiting every time we visit Hay for more food, drinks and fantastic entertainment. My husband and I both work in events and the arts, and this is one of our favourite venues to visit. Bravo, team and many many thanks for everything you did to make our wedding the very best day of our lives.'

'We got married at the Globe and the whole experience was fabulous from beginning to end! The team made the experience of planning great fun. They brought so much passion, creativity, experience and energy to the whole process! The Globe helped create our vision for our wedding which was all we imagined and gave us all the support we needed.'

The Globe itself is a wonderfully flexible venue which provides amazing (seriously amazing) food, beautiful surroundings, a great dance/gig space and a really special and beautiful ceremony space. Hay itself is obviously blooming brilliant and our guests loved a chance to explore it! We stayed in the Globe's cottage next door which was cosy and super convenient. Perfect for wedding prep and storage. Also great that you don't have far to go at the end of the night!

On the day the whole team put in a huge amount of effort and were super professional, friendly and positive! Thank you to everyone, especially Bill the sound guy who was brilliant and made a slightly frazzled Bride and Groom laugh throughout the day. Thank you!!'

'Beth, a very belated thank you for everything you did to make our wedding celebrations a success. You made a real difference the moment you appeared on the scene and your attention to detail, suggestions and good humour throughout were brilliant - Thanks again.'

- T & H

'We had our wedding reception at the globe. It was everything we wanted it to be. The staff were incredible and worked their socks off. The food was out of this world. Best food I have ever had at a wedding. We wanted something different, something unlike the usual corporate affair. And the globe delivered exactly what we wanted. It looked beautiful and nothing was too much trouble. We hired their holiday cottage just behind the globe and it was perfect for getting ready in close by. The globe will always be a very special place to us. If you want a wedding that is a little quirky and different then the globe is the place to have it. Thank you so so much.'

- L & G

The staff were absolutely fantastic, very relaxed and accommodating which certainly helped the day go smoothly. Excellent canapés and dinner; surpassed our expectations and we were really happy with everything that was served.'
